

1071Q-Calculus for Business and Economics-SEC003-1228 – SUMMER 2025 Summer 2

Format: A-Synchronous

Instructor: Amineh Farzannia (she/her/hers)

For Question: Please send an Email. Email: amineh.farzannia@uconn.edu

Prerequisites: Recommended prep: MATH 1011 or the equivalent, and a qualifying score on the mathematics placement assessment. Not open to students who have passed MATH 1110. Only one credit for students who have passed MATH 1121, 1131, 1151 or 120 Course Materials,

For further information on Description, Objectives, Requirements and supporting material you can refer to course webpage on math department webpage [HERE](#). All the other course related materials are posted on HuskyCt on "Course Content" page on HuskyCt.

You can find course material under the folders "Lectures notes" , "Recordings" and "HWs."

All the lectures are recorded so students can cover the course at their own pace. The instructor is available at the stated time on the registrar's website to help students with their questions.

Assignments and Grading outlines: This semester, you will submit ten HomeWorks. The HWs are posted on HuskyCT(Course webpage on UConn version of blackboard) and are due at the end of the semester. There is only one project at the end of the semester. You need to submit the Hws and Projects (on HuskyCT). The submission links are available on HuskyCt. **This course doesn't have any examinations.** These will be graded for both (partial) correctness and completeness.

The grade breakdown: HWs : 80%(Each 8%), Final Project: 20%
