Calculus II Discussion

Midterm 1 Evaluations:

If you have the time, don't forget to fill out Midterm 1 Evaluations. This will help me make sure we keep doing the things that are working well, and stop doing the things that aren't! Be nice! You will need to log in with your UConn email, but I promise it's anonymous!

Mid-Semester Evaluation (Midterm 1)

Introduction:

For now, there's not really much to post here. I'll at least post solutions to any in class "quizzes," and any handouts I send to will be posted here as well. I guess it's also good to know the percentage breakdown of your grade and when upcoming exams are, so here:

Grading:

Online Homework	WebAssign	10%
Online Quizzes	WebAssign	10%
Class Participation	Video Assignment	5%
Exam 1	Oct 1st, (6pm or 9pm)	20%
Exam 2	Nov 5th (6pm or 9pm)	20%
Final Exam	Dec 19th	35%

Quizzes:

Quiz 1 – area between curves.pdf

Handouts:

Irreducible Quadratics in the Denominator.pdf
