Math 2142Q-001
Advanced Calculus II

Class meets on Monday, Wednesday and Friday in OAK 301, from 9:25-10:35 am
Textbook: We use Calculus, Volume I, second edition, by Tom Apostol.

Instructor's information:
Ovidiu Munteanu
MONT 434, (860) 486-4003
Email: ovidiu.munteanu@uconn.edu
Office hours: Wednesday and Friday from 2:00-3:00

Grading and Exams:
There will weekly homework, which will be collected on Friday, at the end of the lecture.
You are welcome to submit your homework earlier as well. There will be no homework due on February 24 and April 7.
The total homework grade will make 30% of your grade in this class.

There will be two midterm exams, both in class.
Midterm I is on Monday, February 27.
Midterm II is on Monday, April 10.
Each of these midterms make 20% of your total grade.

The final exam is scheduled by the registrar, and makes 30% of the total grade.

Calculators are not allowed (and are not of any use) during exams.

Tentative syllabus (may change as we go).
