Math 223

Spring 2006
Section 2

Tentative Homework List

The following lists the homework assignments that were given last year; the list will be modified and other projects will be given. You are expected to work on them as the corresponding material is taught in the class. Specific instructions may also be given in class. In general, homework will not be collected. You can turn it in and I will grade it, but not record the grades unless I clearly state otherwise.

Page Number	Problems
24	1,2,3,6,7,8,9,10,11,13
32	1,6,7,8,9
38	2,3,7,8,9,10,11
61	2,3,4
66	1,2,3
76	1,2,6
85	1,2,3,4
Project 4	hand in on March 16
	Corollary 2.3.4
95	2.6.2,2.6.3
130	1,2,3
186	1,2,3,4,5,6,7
